“There’s No Place Like Our Dental Home”

Dr. William Demray celebrates a milestone

Northville, Mich – Dr. William Demray, the founder of Preservation Dental (PD), celebrated his 40th Anniversary doing business in Northville on Friday, July 28, 2017. He invited the community, his friends, family and most importantly his patients to a movie night at the Marquis Theatre for a big screen showing of Wizard of Oz. The 40th anniversary is traditionally celebrated with rubies. Dorothy’s ruby slippers are iconic. With the help of a patient the practice adopted a special edition logo with the tag line “There’s no place like our dental home.” Northville’s Mayor Ken Roth joined the celebration, and in true Oz-like character, cleverly presented the doctor with a commendation from the citizens of Northville. In Hollywood fashion, a cast of characters was on hand for photo opportunities along the red carpet with guests as they arrived. Everyone was treated like a hometown celebrity!

It has been a yearlong celebration at the office of Preservation Dental – marked with a yellow brick road in the pocket garden in front of the historic Victorian home office. Dr. Demray is known for his hands-on approach to dentistry and preservation of the historic properties in town. Niccole Cervi, the longest current employee at Preservation Dental, introduced the doctor at the Friday night event. In her words: “When I started we used a typewriter...everything was handwritten...Doc does not follow the latest trends...for those of you who call him your dentist, you can and should be proud of that.”

Dr. Demray spoke to the crowd, “I am replete with gratitude.” He told some heartwarming stories of patients past and present who have made a difference in his life. He assured patients he plans to keep on growing the practice for years to come. “It is my hope that PD lives on for future generations, long beyond my years.”

About Dr. William Demray

Dr. William Demray is the founder of Preservation Dental. Since 1977, he has owned and operated his general dentistry practice. As a visionary in the dental field, Dr. Demray has encouraged patients to follow a healthy oral hygiene plan to preserve teeth and gums throughout life. Medical research now recognizes oral and systemic health as closely related. Preservation Dental continues to welcome new patients and Dr. Demray has a hands-on approach to the day-to-day operations of the practice.

Dr. Demray received his Bachelor of Science Degree from Wayne State University and his Doctor of Dental Surgery Degree from the University of Detroit (currently University of Detroit Mercy). He holds a dental license in the states of Michigan, Illinois and Washington and is Canadian Board Certified. He is a Fellow in the Academy of Dentistry International (ADI), the International College of Dentists (ICD) and the Pierre Fauchard Academy (PFA). Dr. Demray is an active member of the American Dental Association, the Michigan Dental Association, the Detroit District Dental Association, the Illinois State Dental Society, the Chicago Dental Society, the Washington State Dental Association, the American Academy of Periodontology, the International Academy of Periodontology and the FDI World Dental Federation (formerly known as Fédération Dentaire Internationale). He sits on the Alumni Board at the University of Detroit Mercy School of Dentistry.

Dr. Demray has strong ties to the community of Northville, Michigan where he was named the 2011 Citizen of the Year and has raised more than \$100,000 for community non-profit organizations. Among his personal achievements, he is an Aviation World Record Holder recorded with the National Aeronautics Association and the Fédération Aéronautique Internationale .
